## Corporate Membership

To strengthen the linkages between the Indian Institute of Technology, Delhi and Industry, the Governing Council of FITT has approved the scheme of Corporate Membership. This membership is open to industries, industry associations, R&D organisations and financial institutions who would like to support the concept of Institute-Industry Interaction and derive benefits resulting therefrom.

### Service / Benefits for Corporate Members

#### ➤ Information on Technology Development etc.

Depending on the areas of interest, Corporate Members would be kept informed through newsletters, bulletins about the developments in technology etc. Briefs on products/processes/software developed at IIT Delhi are periodically published and made available to the Corporate Members.

#### ➤ Information Support Services

FITT provides selective information to its corporate members in order to keep abreast with the technological developments, research activities and faculty and expertise of IIT Delhi and also to help IITD faculty to access details on industries as well as technology development/information worldwide. In this endeavor, FITT has a **Corporate Membership Scheme**. FITT invites the industry/industry association/R&D organizations and financial institutions to become Corporate Members of FITT at nominal annual fees. The Corporate Members will have an access to all CD-ROMs and 1200 On-line electronic journals subscribed by IITD Central Library as well as CD-ROMs available at FITT.
